Wrexham.

To whom it may concern

Please regard this as a testimonial to the
Work of Mike Jones

Mike was recommended to me by others to
undertake a job consisting of laying a
fairly large area of laminate flooring

In every department Mike was excellent.
I.e punctuality, accuracy in surveying,
speed and quality of workmanship and
most importantly attitude (very friendly
and obliging). I would recommend Mike
without hesitation to anyone, with
confidence that they would be getting
work of the highest quality.
